I, Esther Schulder, affirm the following:

1. I reside at 47 Crestwood Drive, West Orange, N.J. 07052.
2. I am a limited partner of College Park Associates, L.P., and a business partner of the Kushner Companies.
3. On June 16, 1999, two \$1,000 contribution were made to Bill Bradley for President, Inc. on check numbers 2272 and 3396. The contributions were attributed to me as a partner of College Park Associates, L.P. and Colfax Manor Associates L.P. At the time the contributions were made, I was not a partner of Colfax Manor Associates L.P.
4. At the time contributions were made, I was not aware that they were attributed to me. I first learned of the June 16, 1999 contributions when Mr. Zecher contacted me in the summer of 2001 and asked me to sign an attribution statement. Mr. Zecher also asked me to sign attribution statements for other contributions that Kushner Companies had already made to other political committees without my knowledge or consent. I later learned that considerable other political contributions beyond those disclosed by Mr. Zecher were made in my name without my knowledge and consent.
5. I did not originally consent to nor was I aware of the June 16, 1999 contributions to Bill Bradley for President, Inc., nor did I authorize College Park Associates, L.P. and Colfax Manor Associates, L.P. to make contributions on my behalf to Bill Bradley for President, Inc. with check numbers 3396 and 2272. Furthermore, since January 1, 1997, I have had no knowledge of, nor have I authorized Kushner Companies and its Associated Partnerships to make any other political contributions to other committees in my name. The funds for the June 16, 1999 contribution and other contributions did not originate from a bank account that I controlled or from a personal partnership interest that I controlled.

Pursuant to 28 U.S.C. § 1745, I, Esther Schulder, declare under penalty of perjury that the foregoing is true and correct and that this declaration was executed at West Orange, N.J. on the 14th day of November, 2002.
